Website

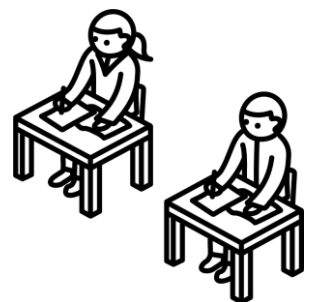

<http://www.shimamoto-junior01.ed.jp>

School theme

“ne for all”

Image of future students

1. Students who respect myself and others, and have the ability to live robustly and flexibility
2. Students who can greet everyone properly

School education goal

1. To foster students who are strong both physically and mentally as well as being rich in heart.
2. To improve basic academic ability and nurture students who act on their own.
3. To value each other's human rights and foster students who develop together with their peers.
4. To foster students with a global perspective while valuing connections with the community.

Club activity

Soccer	Although it is a small group, members who love soccer gather and practice hard.	
Track and field	We develop individual skills with clear goal. The theme is “CHALLENGE!”	
Table tennis	Aiming to build “the table tennis kingdom Shimamoto”, we practice while respecting various activity styles.	
Badminton	We practice every day without forgetting to be grateful. Beginners are also very welcome.	
Volleyball	This year, two first-year boys joined the club. Boys and girls practice together.	

Boys' basketball	Aiming for a great team, enjoying basketball and becoming a more mature self!	
Girls' basketball	We practice hard every day with the motto of being cheerful and energetic. The goal of the game is for everyone to participate and have fun!	
Dance	Aiming for a performance that will give everyone energy, we practice hard every day.	
Tennis	We value greetings and gratitude. Aiming to win the game, we practice hard every day.	
Baseball	We practice every day while valuing courtesy and gratitude. Even beginners are welcome.	
Brass band	We have fun practicing together for competitions and concerts.	

Computer	We aim to improve our computer skills through typing and programing practice.	
Art	We draw freely while enjoying our favorite pictures. We will work together to create club magazines and large-size scale works.
